

Flying with

# About the speaker

- Java developer since the beginning
- True believer in open source
- Groovy committer since 2007
- Project lead of the Griffon framework
- Currently working for **canoo**

Groovy

# Griffon is...

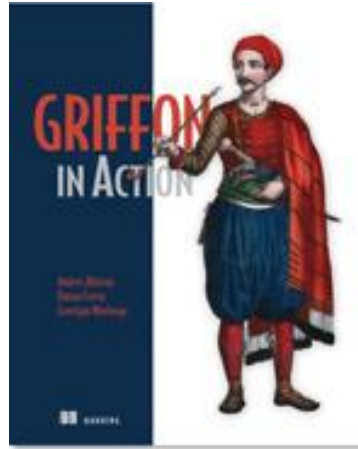

- Convention over Configuration
- Don't repeat yourself (DRY)
- MVC Pattern
- Automate repetitive tasks
- Testing supported "out of the box"

Demo

 **Scala**
